

Approved by the Resolution of RTU Senate Meeting of 26 March, 2018 (Minutes No 618).

**REGULATION ON AWARDING THE DIPLOMA OF EXCELLENCE
AT RIGA TECHNICAL UNIVERSITY**

*Adopted in accordance with Section 1 of Article 15 of the Law on Higher
Education Institutions*

1. Graduates of RTU academic and professional study programs of all levels, except for Doctoral studies, may be awarded the diplomas of excellence, provided that the following requirements have been fulfilled:
 - 1.1. According to the requirements of the RTU Regulation on the Assessment of Learning Outcomes, all planned examinations have been successfully passed at the first attempt within the terms set by RTU;
 - 1.2. All final grades achieved at the first attempt for the study courses, and for their parts, are only “very good” (8), “excellent” (9) and “with distinction” (10), provided that the number of grades “very good” (8) does not exceed 25 % of the total grades;
 - 1.3. The assessment obtained at the final examination is at least “excellent” (9).
2. The grades obtained as a result of repeated pass of the previously successfully passed examinations are not taken into consideration.
3. The resolution on awarding the diploma of excellence at RTU faculties and Riga Business School is taken by the respective Council, at RTU affiliations – by the Council, based on the application of the Director of the study program.
